ALS Brazil – ISO 9001:2008 certified

ALS Minerals is pleased to announce the ISO 9001:2008 certification of preparation facilities in Brazil.

Belo Horizonte and Goiânia sample preparation laboratories, which have been operating respectively since 2005 and 2008, received at January 2012 the certification of ISO 9001:2008.

Besides of the standard operating procedures used by ALS worldwide, our clients now have the additional guaranties provided by an ISO 9001 certification.

To find out how ALS Minerals can support your exploration programs or check out about our scope of ISO 9001:2008 certification, please do not hesitate to get in contact with us.

Our doors are open and you are invited to visit us at any time!
